CONTRACT DISPOSAL FEE SCHEDULE	
Guaranteed annual tonnage	Rate per ton
60,000	\$ 21.00
18,000	\$ 24.00
8,000	\$ 27.50
2,000	\$ 30.00
1,000	\$ 31.00

Disposal account activation fee: \$15.00

Disposal service fuel surcharge: A fuel surcharge shall be added to the per-ton fees for disposal services. The surcharge shall be \$0.05 per ton for each \$0.10 of city fuel price above \$3.30 per gallon. The surcharge shall be revised every three (3) months based on the updated city fuel price. The fuel surcharge will be incorporated into the base disposal charges for landfill credit customers. The charge for each credit customer's load will be rounded to the nearest cent (\$0.01) to reflect the fuel surcharge.

Disposal rates are set in Tucson City Code Chapters 15-34.7 through 15-34.9
