

**Teacher's Summer Internship Program**  
**July 11 -22, 2011**  
**7:00 am-4:00 pm**

**Arizona Project WET Workshop Included**  
**501 W. 18th St. Bldg. 3**

The Internship Program is an intensive two-week course that introduces middle and high school teachers to the water management issues facing the community and provides opportunities to interact with the utility in an educational setting. It is designed to provide teachers from all curriculum areas with relevant information. Each graduate will develop water related projects for the 2011-2012 school year and will have a Tucson Water representative visit the classroom when the projects are presented.

**INTERNS WILL RECEIVE:**

- Up to \$500 for the completion of the two-week internship
- \$250 for participating in the classroom observation visit
- Resources/information to bring to your students
- Access to Tucson Water experts following the internship
- Project WET Workshop handbooks

Please submit your applications before June 1, 2011. **Do not forget the reference letter.** Early registration will be given priority. Completed applications may be submitted by fax to:
