

Adopted Mission: [why does the Commission we exist]

The Commission will review, investigate, and recommend actions to the Mayor and City Council, based on research, data, and inclusive public input, to increase the number of housing units that will:

1. Develop and preserve affordability for all Tucsonans, including renters, homeowners, and those without housing.
2. Protect barrios and communities from rapid change and displacement as well as structural disinvestment.
3. Cultivate landlords and developers as partners in providing equitable, accessible, and quality housing.
