=====

Per Citizen Participation Guidelines (Approved by Mayor and Council July 6, 1992, Item I.C.1) "The organization must clearly involve a 'neighborhood' with boundaries clearly stated that do not overlap the boundaries of other neighborhood associations."

NOTE: If the boundaries your association proposes overlap those of another Neighborhood Services registered association, you must demonstrate that the overlapping territory will create a contiguous and continuous addition to your association's proposed territory and that a majority of the residents/owners of properties within that overlapping territory wish to cease membership in the older existing association and wish to become a member of your new association.

Please further note that certification by Neighborhood Services office will qualify your association or group for limited services and resources on a first come, first served basis. Certification is not intended or designed to qualify the applicant or its officers or members for membership, grants, standing, etc., with any other organization, agency or department. Satisfaction of other entities' requirements must be done independently of or in addition to the PSDS certification process.
