REDISTRICTING ADVISORY COMMITTEE SEEKING PUBLIC INPUT TO REDISTRICT CITY WARD BOUNDARIES

Every four years the boundaries of the six wards of the City are reviewed to determine whether adjustments are necessary to equalize the population in each ward. The Mayor and Council have established a citizens committee to assist with this effort.

The Redistricting Advisory Committee encourages public participation in the redistricting process and wants to hear from residents. A public hearing will be held to gather information from the public regarding ward redistricting. The preliminary redistricting plan will be on display at the public hearing and is available for public inspection during normal business hours at the City of Tucson, City Clerk's Office, City Hall, 255 West Alameda, 9th floor. Additionally, the plan may be reviewed at www.tucsonaz.gov/clerks/elections.
