### **PALO VERDE NEW SPLASH PAD AND POOL RENOVATION CELEBRATION**

The Mayor and Tucson City Council and Tucson Parks and Recreation invite you to celebrate the opening of the new splash pad and pool renovations at Palo Verde Park, just in time for summer. The splash pad, which includes eight computer-controlled water features, was funded through City of Tucson impact fees and Ward 2 Service Line Warranty funds.

The pool renovations mark one of the first Tucson Delivers Parks + Connections Bond projects to be completed using voter-approved bond funds from the November 2018 election. The renovations included resurfacing of the pool and deck areas. Additional enhancements to the park that were not funded by bond dollars included new flooring and paint in the pool bathhouse and resurfacing of the parking lot.

Free popsicles and refreshments will be provided at the event. For more information on the bond projects visit the [Tucson Delivers Parks + Connections website](#).
