CATALYTIC CONVERTER ETCHING EVENT SATURDAY, AUGUST 28, 2021

The Tucson Police Department will be hosting a catalytic converter etching event on Saturday, August 28, 2021. Operations Division West/Neighborhood Crimes Section has identified several area businesses, which are willing to assist the Tucson community by using their repair bays to conduct the event. To participate, vehicle owners are asked to contact one of the businesses listed below to set up an appointment for August 28th. The participating shops will etch the vehicle's catalytic converter with the last 8 characters of their VIN, at no cost.

Etching your catalytic converter is one of several steps you can take to protect your vehicle. Other steps include; parking in well-lit areas, parking in a garage or close to building entrances, adjusting your vehicle's security system to activate from vibrations, or installing a catalytic converter-specific security device. For additional information, or questions regarding the event, please call the West Side Substation at (520) 791-4467.

Brake Masters	351 W. Valencia Rd.	(520) 294-4900
Jiffy Lube	3260 N. Oracle Rd.	(520) 888-4525
Kenny's Exhaust Works	275 W. Ft. Lowell Rd. #2	(520) 887-4999
