### HOMICIDE INVESTIGATION 400 BLOCK OF NORTH GRANDE AVENUE

The Tucson Police Department is investigating a recent homicide that occurred on Tucson's West-Side.

On July 8, 2020, just after midnight, officers from Operations Division West were dispatched to an apartment complex in the 400 block of North Grande Avenue for a report of an unresponsive male lying in the parking lot. Tucson Fire responded and rendered aid to the male; however, he was pronounced deceased on scene shortly after their arrival. Obvious signs of gunshot trauma were located on the victim. The victim was identified as **50-year-old Danny Lee Jackson**. Next of kin have been notified.

Detectives with the Tucson Police Homicide Unit were called to the scene to continue the investigation. They learned a male and female flagged down a security guard to report the victim in the parking lot. The security guard then called 911. Officers and detectives spoke with the security guard but have not been able to locate or identify the male and female.

Details are extremely limited at this time and there are currently no suspects in custody. Detectives are actively following up on leads in the case, but are asking anyone with information, including the male and female who located the victim, to please call 88-CRIME. You can remain anonymous. Additional details will be released as they become available.
